

Zhen Ding Technology Holding Limited (4958 TT)

July 2022 Monthly Revenue Report

Zhen Ding Technology Holding Limited (Ticker: 4958), a leading global PCB manufacturer, today reported July 2022 revenue of NT\$13.19 billion, up 13.24% YoY and up 4.38% MoM. For January through July 2022, cumulative revenue reached NT\$81.64 billion, up 19.00% YoY. According to Zhen Ding, revenue in July and the first seven months of the year both reached record highs for the same period again, driven by the continued momentum in the shipments of Computers and Consumer Electronics products as well as IC Substrates.

Zhen Ding remains positive on business operations, as the industry enters the traditional stronger season in the second half of the year and the company is preparing for the shipments of new products, together with the new capacity of the new BT fab in Qinhuangdao having come online in August. Overall, Zhen Ding expects that revenue in the second half of the year will be significantly higher than that of the first half, driving full year revenue and net income both reaching record highs.

Zhen Ding will hold its 2Q22 earnings call next Tuesday on August 9th at 3:00pm Taipei Time. The call will be jointly held by Chairman, General Manager and CFO, providing details about Zhen Ding's operating results and future outlook, including the roadmap for IC substrates. Please fill in the [online registration form](#) and the meeting link will be sent via email.
