Commitment RBA Membership

Dear RBA Board of Directors :

Zhen Ding Technology Holding Limited specializes in printed circuit board ("PCB") and semiconductor related products, with one-stop shopping (One ZDT) strategy, early stage design-in, R&D, manufacturing and sales to create complete solutions for customers. Our products are used in the wide range of applications for computing, consumer, communications, automotive electronics and medical segments. Leading the PCB industry for related developments is our vision.

We realize our impact extends from society to the planet. Therefore, our mission is "Technology development, benefit of mankind; environment protection, make the planet a better place." We care not only for those we work with, but for our employees, customers, strategic partners, shareholders and communities.

On behalf of Zhen Ding Technology Holding Limited and in support of our application for RBA membership, I am writing to state our commitment to supporting the RBA's mission, vision, bylaws, membership requirements and the Code of Conduct. In addition, we committed to meeting all the requirements of membership as outlined in the Membership Compliance Program.

Yours Sincerely,

Chairman

Chang-Fang Shen
