

## Zhen Ding Technology Holding Limited (4958 TT)

### October 2024 Monthly Revenue Report

Zhen Ding Technology Holding Limited (Ticker: 4958), a global leading PCB manufacturer, today reported October 2024 revenue of NT\$20,953 million, up 0.4% YoY and up 8.4% MoM, reaching second highest for the same period in the company's history. For January through October 2024, cumulative revenue reached NT\$136,484 million, up 15.8% YoY, also marking the second highest for the same period.

According to Zhen Ding, its October revenue continued to deliver YoY and MoM growth, reaching the highest level for a single month year-to-date. This was consistent with historical peak season patterns. Revenue for Mobile Communication had the highest sequential growth, and IC Substrate hit another record high for a single month. In addition, revenue for Automotive/Server/Base Station achieved a record high for the same period in the company's history.

Zhen Ding will hold its 3Q24 earnings call on November 8<sup>th</sup> (Friday) at 3:00pm Taipei Time, providing details about the company's operating results and outlook. Please fill in the [online registration form](#) and the meeting link will be sent via email.
