

## Zhen Ding Technology Holding Limited (4958 TT)

### July 2024 Monthly Revenue Report

Zhen Ding Technology Holding Limited (Ticker: 4958), a global leading PCB manufacturer, today reported July 2024 revenue of NT\$13,458 million, up 30.6% YoY and up 25.6% MoM, setting a record high for the same period in the company's history. For January through July 2024, cumulative revenue reached NT\$78,380 million, up 19.9% YoY, reaching the second highest for the same period.

According to Zhen Ding, the company has entered its traditional stronger season since July, and the demand from customers' new products has increased. All four major product applications, including Mobile Communication, Computers and Consumer Electronics, Automotive/Server/Base Station and IC Substrate, each reached double-digit YoY and MoM growth. In particular, revenue for Automotive/Server/Base Station and IC Substrate both again set record highs for a single month. This demonstrated that the company's One ZDT strategy has yielded desired results, with continued order wins across all product applications.

Zhen Ding will hold its 2Q24 and 1H24 earnings call on August 13<sup>th</sup> (Tuesday) at 3:00pm Taipei Time, providing details about the company's operating results and outlook. Please fill in the [online registration form](#) and the meeting link will be sent via email.
