

Zhen Ding Technology Holding Limited (4958 TT)

February 2024 Monthly Revenue Report

Zhen Ding Technology Holding Limited (Ticker: 4958), a leading global PCB manufacturer, today reported February 2024 revenue of NT\$8,642 million, down 13.09% YoY. For January through February 2024, cumulative revenue reached NT\$21,417 million, down 4.51% YoY.

According to Zhen Ding, due to fewer working days during the Chinese New Year, its February revenue declined YoY. However, the company's cumulative revenue for the first two months achieved double digits YoY growth across applications including Computers and Consumer Electronics, Automotive/Base Station/Server, and IC Substrates. Specifically, the cumulative revenue for Automotive/Base Station/Server and IC Substrates both reached record highs for the same period, demonstrating the effectiveness of the company's diversification effort under the One ZDT strategy.

Zhen Ding will hold its 4Q23 and full year earnings call next Tuesday on March 12th at 3:00pm Taipei Time, providing details about the company's operating results and outlook. Please fill in the online [registration form](#) and the meeting link will be sent via email.
